Dear Applicant:

In response to your inquiry, enclosed is an application packet for Patten House of Glenview. This packet includes eligibility requirements and application papers. **Please read all this information.**

Please complete, sign and date the application papers. Any section left blank will deem the application "incomplete" and be returned to you. If any question on the forms does not apply to you, please mark it with an "n/a" or cross-through it.

Preference is given to extremely low income applicants or applicants displaced by government or natural disaster.

The waiting list is updated at least annually with written notification to applicants on the list. You are required to respond by returning the updated form. It is your responsibility to notify the facility office should your address, phone, or family composition change.

- **INCOME** – Household gross income must be less than or equal to the maximum very low income limit set by HUD as adjusted for by family size and metropolitan area.

The current income guidelines for Cook County, IL as of April 14, 2017 are:

- \$31,600 for two person household

COST

Rent is based on the household's annual gross income. Currently a household is not required to pay more than 30% of the household's monthly income. Rent is payable monthly and a Security Deposit is required of one month's rent or a minimum of \$50.00 whichever is greater. Gross annual income may be adjusted based on medical and handicap expenses that exceed 3% of the gross annual income. Rent is re-determined annually.

Water, heat and refuse are included in the rent. Electric when paid by the household, qualifies the household for a utility allowance thus reducing the total rent the household is responsible for by that allowance amount. The utility allowance may be adjusted annually based on current utility expenses as approved by HUD.
